01. Monitoring procedures (Part I, line 2)

Petfinder Foundation has the following procedure in place to ensure that grants funds are used in the proper way based on grant requirements:

1) During the grant application process, applying organizations must agree to submit a final grant report on how the granted funds were used, how many pets were helped, what specifically the funds were spent on, etc. This grant report must include documentation of expenditures to ensure that the funds were spent in the correct way.

2) In the official grant award letter, which is mailed along with the grant check, grantees are notified that the funds are restricted to the purpose stated in their application. It also states that cashing of the grant check constitutes acceptance of the grant terms and conditions listed in the letter.

The reporting requirement is stated again in each grant award letter.

3) 60-90 days after receiving the grant, awarded groups are notified that their grant report and documentation is due.
